

<b>BOARD OF DIRECTORS PORT AUTHORITY OF GUAM</b>	
<b>BOARD POLICY MEMORANDUM NO. 2006-03</b>	<b>SUBJECT: HOT WORK PERMIT</b>
<b>APPROVED BY THE BOARD OF DIRECTORS AT THEIR MEETING OF: DECEMBER 14, 2006</b>	<b>EFFECTIVE DATE: JANUARY 29, 2007</b>
<b>APPROVED BY:</b>	
<b>MONTE MESA, Chairperson, Board of Directors</b>	

**PURPOSE:** To establish a special rate for Hot Work Permit issued by the Port Safety Division to tenants and vessels moored to PAG facility, doing hot work.

**HOT WORK PERMIT-RATE**

Special Rate for Hot Work Permit

\$ 25.00 per permit per day

**Guidelines:**

1. Tenants and customers that need to do any form of welding, cutting, grinding, chipping, or any spark-producing operations inside the Port's area of responsibility must apply for a Hot Work Permit at the Safety Office on a daily basis.
2. Customers/Agents that maintain credit with the Port will be billed for Hot Work Permit. If customer/agent is not an Approved Charge Customer/Agent, customer must pay the permit fee at PAG cashier. Cashier will stamp permit request form and provide customer with a receipt.
3. To ensure that all hot work conducted in the facility complies with the requirements of 33 CFR 126.30 section Port Safety Inspectors will conduct inspections on all "Hot Work Permit" issued.
4. Port Safety Inspectors or U.S. Coast Guard personnel may conduct random inspections for compliance and fire prevention.
5. Any violation of the conditions of the hot work permit may result in work stoppage, suspension of the permit and/or civil penalty.
