## Port E-Advisory No. 2

Please be guided by the attached:

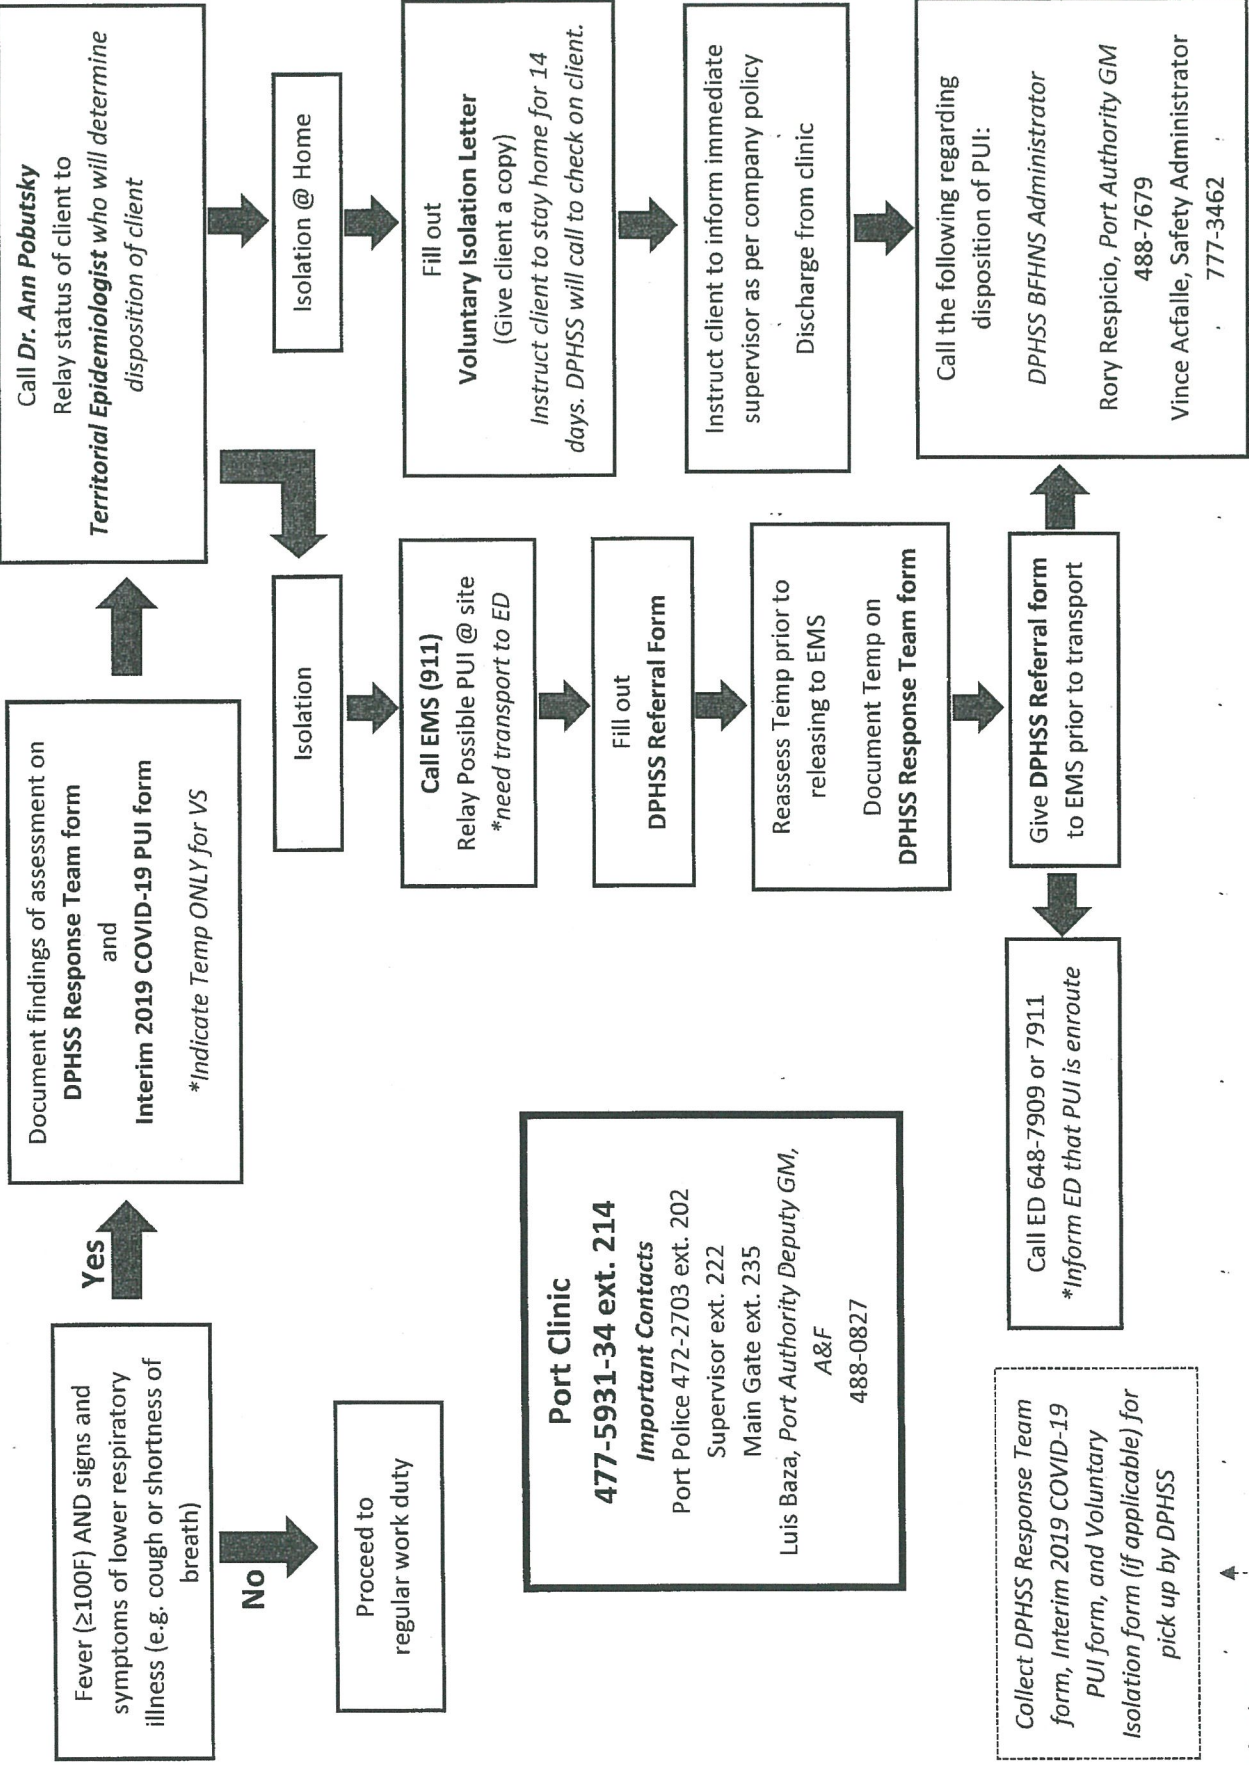

### Flowchart for Port Authority Response

The flowchart provides protocol procedures for the healthcare professionals at the Port Clinic on fever ( $\geq 100F$ ) **and** signs and symptoms of lower respiratory illness (e.g. cough or shortness of breath).

If you have not already done so, the nurses are available to take your temperature and observe you for any symptoms you may be experiencing that are related to COVID-19. The Port Clinic is open 24 hours a day, seven days a week (if necessary and depending on weekend business activity).
