Port E-Advisory No. 1

This is to address misinformation that an employee of the Port serving at the Gatehouse has tested positive for the COVID-19 virus. This is untrue. The facts received is that the employee was exposed to someone who may have been confirmed positive. We must continue to act as if though we have COVID-19, as well as those we come in contact with are also positive for COVID-19.

Your Port remains open for business and 100% operational, at this time. In doing so, please be assured that we have been taking all the necessary extraordinary precautions to protect our employees, and those who they are in contact during the conduct of Port operations.

Paramount during this time of crisis is our steadfast commitment to the safety and well-being of all employees, both ours and yours.

Rory J. Respicio, General Manager
